Our Promise

ABOUT US

Duwrap is a brand of high-quality disposable food packaging products, including Aluminium Containers, Foil Rolls, Pre-Cut Foil Sheets, Plastic Packaging, and Paper Packaging.

Duwrap is a brand by **Dugar Polymers Limited**, a unit of the **Chandantara Dugar Group**, a renowned entity in the petrochemicals industry.

As a part of our continued growth and expansion, we established a modern manufacturing unit for disposable food packaging products in the **Union Territory of Dadra & Nagar Haveli and Daman & Diu, India.**

What started with aluminium disposable products has now expanded into a **wider range of disposable food packaging solutions across aluminium, plastic, and paper categories** designed to meet the evolving needs of households, horeca, catering, retail, and food service businesses.

Our production facility is developed with a strong focus on quality, hygiene, safety, and consistency, and is in the process of fulfilling manufacturing standards such as ISO 9001:2015, ISO 45001:2018, ISI, BRC, HACCP, GMP, and more.

VISION

Is to become one of the leading and most trusted names in the export sector by offering a complete range of disposable food packaging solutions across aluminium, paper, and plastic categories.

We aim to establish Duwrap as a one-stop destination for quality packaging and utility products, serving the evolving needs of homes, businesses, and the food service industry over the next 5 years.

MISSION

We are committed to delivering thoughtfully designed packaging solutions that combine quality, convenience, and responsible practices for a better future.

Our focus is on creating reliable and user-friendly products that support everyday needs while moving towards more sustainable and efficient packaging solutions.

PRODUCT RANGE

At Duwrap, we offer a wide range of disposable packaging and utility solutions across aluminium, paper, and plastic categories designed for both everyday and commercial use. Our product portfolio includes aluminium containers, foil rolls, pre-cut sheets, disposable food packaging products, platters, film rolls, tissue products, garbage bags, and other essential utility solutions.

Serving Industries Like:

Hospitality

Airlines

Baking

Food Service

Railways

Retail

Caterers

Beauty &
Wellness

WORLDWIDE REACH

Building trusted packaging partnerships across international markets.

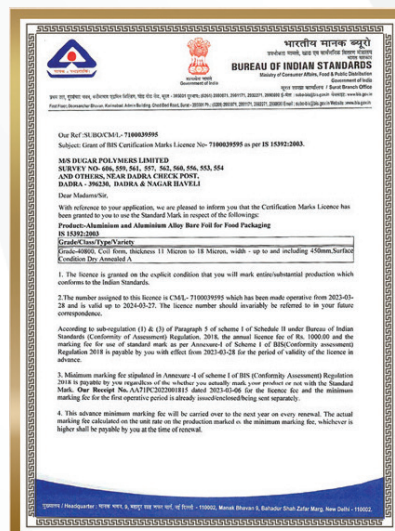

CERTIFICATIONS & QUALITY ASSURANCE

At Duwrap, quality is at the heart of everything we manufacture. Our products are produced under internationally recognized quality and food safety standards, ensuring consistency, hygiene, and reliability for customers across domestic and global markets. Our certifications reflect our commitment to excellence, compliance, and continuous improvement, giving our partners complete confidence in every product they choose.

Our Organization Proudly Holds the Food Grade Quality Certification

Our manufacturing facilities are also Kosher Certified, meeting internationally recognized requirements for specialized food packaging applications.

DON'T SPOIL JUST FOIL

Features Of Our Products

High barrier, Anti-oxidation

Extends the shelf life of food.

High mechanical strength

Strong impact resistance & piercing ability.

Easy to process

Can meet most packaging needs.

Protects Environment

Saves energy without polluting the environment.

Temperature Spectrum

Can withstand temperatures from -40° C to 350° C.

Strong adaptability

Can adapt to various environments.

Lightweight

Reduces transportation costs & product packaging volume.

Microwavable & Oven Friendly

Aluminium containers are completely safe to use in the microwave/ oven.

ALUMINIUM CONTAINERS

TAKEAWAY & CONSUMER

Food service operators & online food service outlets across the globe have witnessed an increase in 'takeaway' & 'drive through' food.

To address this demand, we at Duwrap are providing a range of products made of high-quality aluminium which ensures that the food remains fresh & intact for a longer period for your esteemed customers. Have a look at our plethora of solutions, available in a variety of shapes & sizes.

SPECIALITY & OTHER PRODUCTS

An innovative solution, our gas mats ensure the user does not have to worry about those tough stove stains or removing stuck crumbs ever again. Just place a Duwrap gas mat before you start cooking, then throw it off once you're done. It's that easy!
